I am aware and agree that the data about me given in this application will be passed on to Inbank AS (registry code 12001988) for making a determination on the entry into a sales contract for payment by instalments. I hereby grant Inbank AS my consent to process my data according to the Principles of Processing Client Data, which have been introduced to me and are accessible online at [www.inbank.ee](http://www.inbank.ee) and on paper. I am aware that Inbank AS may reject my application if the submitted data are incorrect or prematurely cancel the contract entered into with me on the basis of the application. I confirm that the data presented by me are complete and correct. I am aware that Inbank AS may make an automatic decision on the issue of credit to me on the basis of the data given in the application and contained in relevant databases, and I have the right to file an objection against the decision in order to protect my legitimate interests.

I agree that, in order to make a credit decision, queries concerning the details related to my earlier applications and contracts will be made to the consolidation group companies and/or affiliates of AS Inbank (the list is available on the website [www.inbank.ee](http://www.inbank.ee)) and the aforementioned companies will send the data to AS Inbank for the purpose of compliance with the responsible lending principles.
